

Installing the inMotion Extension for Adobe Creative Cloud

Published on 05/17/2018

Software Requirements

In order to install the inMotion Extension for Adobe CC, your computer will require the following:

- Adobe Photoshop CC, Illustrator CC, or Adobe inDesign CC, 2018 or later
- Adobe Creative Cloud Desktop App, 4.6 or later
- Mac OS 10.8+ or Windows 7+
- Google Chrome

Installing the inMotion Extension for Adobe CC

- 1. Be sure to close any running Adobe applications compatible with the extension.
- 2. Open the inMotion Extension for Adobe Creative Cloud

(https://www.adobeexchange.com/creativecloud.details.100861.html)details page on the Adobe Exchange App Marketplace

using Google Chrome.

3. Click the Free button in the top right of the page.

- 4. If prompted, log in with your Adobe ID credentials.
- Next, your Adobe Creative Cloud Desktop App should automatically install the extension to your computer. If not, you can manually sync your installed Adobe extensions by visiting My Exchange

 $({\tt https://www.adobeexchange.com/my-exchange.html?cloud=cc}) and clicking {\small {\bf Sync Extensions}} near the top of the screen.$
