

Ensure a Successful Onboarding

Published on 03/06/2020

Welcome to Lytho Workflow! We've put together a list of resources to guide you through each phase of your team's onboarding.

Workflow 101

Before you start building out your team's Workflow account, it's important to have a solid understanding of some of the key features and how work moves through the system. Check out these videos and related articles to learn more:
