Release Notes - November 30, 2020
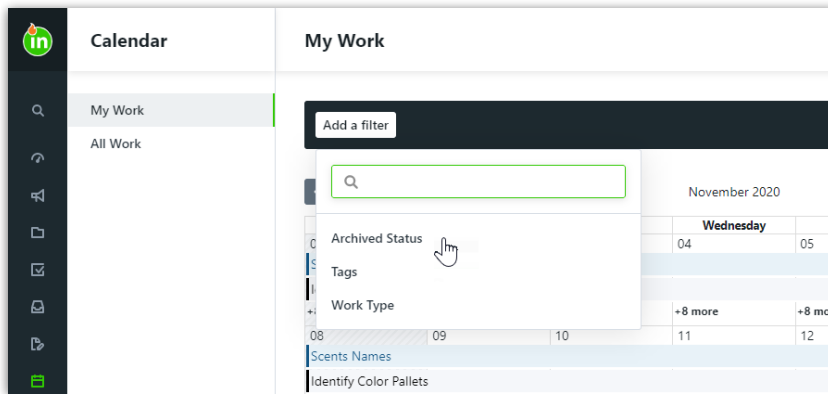

Improvements

We have improved the way you filter in Calendar View, providing a more intuitive experience that aligns with other filtering areas in ignite. You can now also filter by Archived Status and exclude archived work from your view, or view only archived work.

Feeling nostalgic? Here's what we released...

- **Six months ago** (https://guide-ignite.inmotionnow.com/help/release-notes-5-25-2020)

- **One year ago** (https://guide-ignite.inmotionnow.com/help/release-notes-12-9-2019)

- **Eighteen months ago** (https://guide-ignite.inmotionnow.com/help/release-notes-06-15-2019)

- **Two years ago** (https://guide-ignite.inmotionnow.com/help/release-notes-1-18-0)
